

ALL classes fees must be paid for when registering. Class materials can be purchased before the class starts.

If no one has registered for a class at least 1 week before the start, the class will be cancelled or postponed to a later date.

Refunds for pre-paid class registrations can be made only if we are notified at least two weeks in advance of the beginning of class.

Missed classes will not be made up unless the instructor was unable to teach or the shop was closed for inclement weather. However, we will make every effort to accommodate every student for the class.

There will be NO REFUNDS for classes missed that the student did not show up for.

Please remember that there are no exchanges or returns for needles, sale yarn or yarn that has been wound into a cake.
